- Completed **DAAD application form** (on the internet) with recent photos
- Full CV & Letter of motivation
- Form "**Profile of the desired Degree Program**"
- **Letter of recommendation** (from a professor at the home university)
- **Diplomas** – High school and university
 - If not yet available: Course Record Book with all individual grades
 - **translated in English or German**

Study Scholarships for Graduates of All Disciplines & ERP Application

- **Proof of languages-level**
- **German language certificate (DAAD lektor)**
 - → doesn't replace the necessary language certificate for your studies at the German university
- (English language certificate
 - → in case a study program in English is chosen)

Note: Application deadlines for the chosen degree programs

Research Grants – For Phds and young Scientists

Aims:

- for various qualification phases and stages in a career
- promote the exchange of experience and networking amongst colleagues
- primary: to promote research projects within the context of doctoral programmes

Research Grants – Short-Term

- → 1 month to a maximum of 6 months
- selection committee decides about the length of the grant depends on the project in question and the applicant's work schedule.
- The grant is non-renewable.

Research Grants – for more than 6 month

Research Grants

Application Requirements

Who can apply?

Excellent-qualified doctoral candidates and young academics and scientists who have

- completed a Master's degree or Diplom, or
- in exceptional cases a Bachelor's degree at the latest by the time they begin their grant-supported research, or those who
- have already completed a PhD (postdocs).

Research Grants

What can be funded?

What can be funded?

- research project or course of continuing education
- in coordination with an academic adviser in Germany.

With different aims:

- **PhD in Bulgaria**
- **PhD in Germany**
 - Convincing and structured PhD-project (www.daad.de/international-programmes)
- **Project without degree (post-doc)**
- ★ **Further information: www.research-in-germany.de**

Research Grants

Application Requirements

Most important criteria:

- a convincing and well-planned research project or course of continuing education
- academic achievements
- additional documents that prove academic suitability / information about extracurricular activities

Language Skills:

- required language level depends on applicant's study plans and subject: often at least a good knowledge of German is expected

Research Grants

Application Requirements

In case of:

- **PhD in Bulgaria:** Admission of the home university & Acceptance of academic adviser in Germany
- **PhD in Germany:** Acceptance of PhD Supervisor or Receiving confirmation of structured PhD programs

Research Grants Application

- Parallel to applying for the scholarship you must independently **apply to the chosen host university** for Admission to Studies.
- **Please note: Application deadlines for the chosen degree programs**
- **Deadline: 15. November**
- Note: Application has to be made online

Research Grants

Application

Documents to be uploaded to the DAAD portal

- Online application form
- Full CV (max. 3 pages)
- List of publications (max. 10 pages), if applicable
- Extensive and detailed description of the research proposal and a description of previous research work (max. 10 pages)
- Letter confirming supervision by a university teacher in Germany
- Schedule of planned research work

structured doctoral study program:

- Letter of admission to a study program.
- Proof of existing contacts to the coordinator of the doctoral program

Research Grants Application

Documents to be uploaded to the DAAD portal (for all applicants):

- Diploma or degree certificate indicating final grade(s)
- Other documents which support your application
- Proof of admission of your PhD studies in Germany if available
- A German language certificate (DAAD lektor)
- Dissertation in English: an English language certificate (in addition)
- Copy of school-leaving certificate
- German or English translations of documents submitted in the national language
- All university certificates on all annual examinations with individual grade(s), incl. explanation of grading system.

Research Grants Application

To be submitted by post:

- "Application summary" (generated in the portal in PDF format)
→ 2 copies to the application address.
- Two recent references from university teachers
- A health certificate (not before requested by the DAAD Head Office)

Application deadline

15.11.2014

(beginning of the scholarship: 01.10.2015)

Research Stays for University Academics and Scientists

For: **University teachers** and **established academics** and **scientists** who have usually completed a doctoral degree and work at a university or research institute in their home country.

Aim:

- to support short-term research stays and
- thus promote the exchange of experience and networking amongst colleagues.
- opportunity to carry out research
- continue education in Germany

- 1-3 month, between may 2014 and january 2015

Research Stays for University Academics and Scientists Requirements

What requirements must be met?

- Applicants must work at a university or institute of higher education in their home country.
- The research project must be coordinated with an academic host institute in Germany. The applicant must be provided with a workplace.
- **Selection** – most important criteria :
 - academic achievements and recent publications which must be documented in the curriculum vitae and a list of publications
 - a convincing and well-planned research project

Research Stays for University Academics and Scientists

Application documents

1. Documents to be uploaded to the DAAD portal:

- Online application form
- Full CV (max. 3 pages)
- List of academic publications (max. 3 pages)
- Comprehensive statement about research project (max. 10 pages)
- Time schedule and itinerary of the planned research stay
- Letter from host confirming academic cooperation

2. To be submitted by post:

- The "Application summary", generated in the portal as PDF

Re-invitation Programme for Former Scholarship Holders

Aim of Programme

To enable former scholarship holders to

- carry out research and working projects in Germany and
- to maintain contacts as part of DAAD's global alumni network.

Who can apply?

- Former holders of DAAD research grants or study scholarships, who were **funded for a period of over six months**
- Former East German scholarship holders who **studied for at least one year** in Germany

Re-invitation Programme for Former Scholarship Holders

What can be funded?

- Research and working projects
- Working stays at an institution in business, administration, culture or media
- A research or working visit can also take place at several host institutions.
- Funding may only be claimed once within three years.

Duration of funding

- 1-3 months
- Length of grant: decided by a selection committee and depends on project in question and work schedule
- The grant is non-renewable

Herzlich Willkommen bei COPERNICUS

COPERNICUS besteht aus drei Vereinen in Berlin, Hamburg und München zur Förderung ost-, südost- und mitteleuropäischer Studierender. Jedes Semester werden 6 bis 10 Studierende mit einem Stipendium nach Berlin, Hamburg oder München eingeladen.

Dort nehmen die Studentinnen und Studenten ein Semester am Lehrbetrieb der örtlichen Universität teil und absolvieren im Anschluß ein zwei- bis dreimonatiges Praktikum in einem Unternehmen, bei einer Organisation oder einer Behörde. Die Unterbringung erfolgt überwiegend in Gastfamilien.

Im folgenden wird das Stipendienprogramm und das Bewerbungsverfahren vorgestellt. In der oberen Menüleiste ist die Copernicus-Seite nach den Vereinen in den Städten aufgliedert.

- o Copernicus Berlin e.V.,
- o Copernicus München e.V.
- o Copernicus Hamburg e.V.

Wenn auf den folgenden Seiten jeweils nur die männliche Form von Bewerber, Student, Stipendiat verwendet wird, sind damit selbstverständlich auch stets Bewerberinnen, Studentinnen und Stipendiatinnen gemeint.

BAYHOST (www.bayhost.de)

Free State of Bavaria:

One-year-grants for Post docs
From Eastern Europe
(Age limit: 30)

Promoted ar:
PhD, graduate and
postgraduate studies

The screenshot shows the BAYHOST website integrated into the University of Regensburg (UR) portal. The page features a search bar at the top right with the text 'Suche' and buttons for 'SUCHEN', 'KONTAKT', 'IMPRESSUM', and 'DATENSCHUTZ'. The main content area is titled 'Studieren in Bayern' and includes a sub-section for 'BAYHOST Stipendien für Studierende und Wissenschaftler aus dem östlichen Europa'. A detailed announcement describes the 'Jahresstipendien: aktuelle Ausschreibung' (Annual Scholarships: current application), stating that the Bavarian State Ministry for Science, Research, and Arts awards these stipends for the 2013/14 academic year to students from Eastern Europe. It specifies that the stipend covers living expenses and can be extended to a second year. The application deadline is set for December 1, 2012. A sidebar on the left contains navigation links such as 'STARTSEITE UR', 'ÜBER UNS', 'KONTAKT', 'AKTUELLES', 'PRESSE', 'STIPENDIEN', 'Studieren in Bayern', 'Sprachkurse in Bayern', 'Studieren in MOE', 'Sommerakademie DAF', 'FÖRDERUNG', 'PRAKTIKA', 'STATISTIK', 'LINKS', 'NEWSLETTER', 'ALLIMNI', and 'LÄNDERINFOS'. A right sidebar provides contact information for the 'Anspruchspartnerin' (Responsible person), Fr. Katrin Döppe, and mentions the 'Bayerisches Hochschulzentrum für Mittel-, Ost- und Südosteuropa'.
