Course Overview

The Bayreuth International Summer School 2016 consists of different courses held simultaneously in areas such as Law, Economics, Sports, Engineering and Management. All courses are conducted in English by international guest professors and will take place over the duration of two weeks. Participants have the opportunity to theoretically and practically engage for approximately 6 hours each day in various seminars and discussions.

Advantage: Learning and working in a small group of max. 15-20 international participants

Course Fee

The all-inclusive course fee consists of a tuition-charge and accomodation- and board-charge, which includes in addition a Regional Culture Programme and organised evening events following the courses, a Farewell-Evening and excursions. For students from partner universities tuition fees will be waived, and only fees for board and accommodation apply. Detailed course fees will be published on our website at the start of the application period (January - April 2016).

Certificate

Upon regular attendance of the course, active participation and short presentations, participants will receive a certificate with ECTS credits.
